The poster is titled "CAMPAGNA VACCINALE ANTI COVID-19 CITTADINI ad ELEVATA FRAGILITÀ dal 29 Aprile alle 12". It lists two categories of eligible citizens: those born between 1942 and 2004 who are in the "category of extremely vulnerable" as listed in regional health portals, and those with "severe disability" as defined by law 104/1992 or court judgment. A call to action box says "Possono aderire alla campagna vaccinale sul portale dedicato vaccinocovid.sardegناسalute.it". The poster also includes the hashtag #AssCobSicurezza and the website www.assungione.it. An illustration at the bottom shows a person receiving a vaccine from a healthcare worker.
